Syringe in vein the overdose  
Death agony of flosch and soul  
A pleasant quake the mind is mist  
Life goes away the drug you feel  
Overdose blood wants it again  
Minutes off you feel the end  
Uina a sleep, no vision of death  
When you die your pleasuke spends.

Syringe in vein the overdose  
Body ruins a fiaht of drugs  
Opium mind turns to rot  
What's gonna be with you?

Overdose finally came  
The scream of fun-inanity  
Venom eats away like acid  
Brain and soul are omptyness

Overdose you are did  
Syringe in vein meet the end  
Acidhead no need to live  
Destroyed brain the death is nerk  
Overdose blood wants it again  
Minutes off you feel the end  
There's no friends life fades away  
Noone will help you to born again.
