Walking down a darkened hallway
Everybody turns to look at you
It's not because you're different
It's just because you're so scary cool

A sinister style, mystery with a smile
You're drop dead gorgeous, drop dead gorgeous
This school gives me the creeps, but when I'm with my
peeps
You can't ignore us
This is where the ghoul kids rule!

Monster, monster high
Monster high
Monster, monster high
Come on, don't be shy
Monster high
The party never dies

Monster, monster high
Monster high
Monster, monster high
Freaky chic, and fly
Monster high
Where student bodies lie

Hey, Frankie's got me fallin' apart
Oh, Draculaura's stealin' my heart
Clawdeen Wolf, you make me howl at the moon
Lagoona, you're the finest fish in this lagoon
Cleo De Nile, you so beguile
Even though you act so vile (uh huh)
And Deuce has stone-cold style
These are my boos, my skeleton crew
A little strange, but so are you
Don't you wanna be a monster, too?

Oh, freaky just got fabulous
Everybody wants a piece of you
The stars all smile, let's be realistic
Most characteristic, most hippin' horrific

A sinister style, mystery with a smile
You're drop dead gorgeous, drop dead gorgeous
This school gives me the creeps, but when I'm with my
peeps
You can't ignore us
This is where the ghouls rule!

Monster, monster high
Monster high
Monster, monster high
Come on, don't be shy
Monster high
The party never dies

Monster, monster high
Monster high
Monster, monster high
Freaky chic, and fly
Monster high
Where student bodies lie

M-O-N-S-T-E-R
Monsters, monsters, so bizarre
M-O-N-S-T-E-R
Monsters, monsters, yes we are
(x2)

(Monster, monster high
Monster high
Monster, monster high
Come on, don't be shy
Monster high
The party never dies)

Monster, monster high
Monster high
Monster, monster high
Freaky chic, and fly
Monster high
Where student bodies lie

We've got spirits, yes we do
We've got spirits, how 'bout you?
(x2)
