Ewan:

Love is a many splendored thing
Love lifts us up where we belong
All you need is love

Nicole:

Please don't start that again

Ewan:

All you need is love

Nicole:

A girl has got to eat

Ewan:

All you need is love

Nicole:

She'll end up on the street

Nicole:

Uhh

Ewan:

All you need is love

Nicole:

Love is just a game

Ewan:

I was made for loving you baby

You were made for loving me

Nicole:

The only way you were loving me baby

Is to pay a lovely fee

Ewan:

Just one night

Just one night

Nicole:

There's no way

Cause you can't pay

Ewan:

In the name of love

One night in the name of love

Nicole:

You crazy fool

I won't give in to you

Ewan:

Don't leave me this way

I can't survive without your sweet love

Oh baby don't leave me this way

Nicole:

You think that people would have enough of silly love songs

Ewan:

I look around me and I see it isn't so, oh no

Nicole:

Some people wanna fill the world with silly love songs

Ewan:

Well what's wrong with that

I like to know

Cause here I go again

Ewan:

Yeah love lifts us up where we belong

Where the eagles fly

On a mountain high

Nicole:

Love makes us sad like we are fools

Throw our lives away

For one happy day

Ewan:

We can be heroes

Just for one day

Nicole:

You, you will be mean

Ewan:

No I won't

Nicole:

And I, I'll drink all the time

Ewan:

We should be lovers

Nicole:

We can't do that

Ewan:

We should be lovers

And that's a fact

Nicole:

No nothing would keep us together

Ewan:

We could steal time

Ewan & Nicole:

Just for one day

We can be heroes

Forever and ever

We can be heroes

Forever and ever

We can be heroes

Ewan:

Just because I, and I will always love you

Nicole:

I only can't help it

How wonderful life is now
Ewan and Nicole:
You're in the world
