Gimme danger little stranger
And I'll feel you bleed
Gimme danger little stranger
And I'll heal your disease

There's nothing in my dreams
But some ugly memories
Kiss me like the ocean breeze

Well if you will be my lover
I will shiver and sing
But if you will be my master
Then I will do anything

There's nothing left alive
But some dark glassy eyes
Raise my feeling one more time

Oh come on little danger, die a little stranger
Swear you're gonna feel my hell
Come on little stranger, die a little later
Swear you're gonna feel my hell
Swear you're gonna feel my hell
Swear you're gonna feel my hell

Gimme danger, little stranger
Gimme danger, little stranger
Gimme danger, every day

Can ya feel it?
Can ya feel it?
Can ya feel it?
Can ya feel it?

I gotta feel it
I gotta feel it
I gotta feel it, gotta feel it
You gotta feel it
I gotta feel it

I wanna feel it
Oh I wanna feel it

I wanna feel it
I wanna feel it, feel it
I wanna feel it
I wanna fucking feel it,
I wanna feel it
I wanna feel it,
feel it, feel it, feel it..
