spoken

Zilder: She's like a blushing bride

She says you make her feel like a virgin

Duke: A virgin?

Zidler:

You know, touched for the very first time

She says it feels so good inside

When you hold her

And you touch her

Like a virgin

She's made it through the wilderness somehow

She made it though

She didn't know how lost she was

Until she found you

She was beat incomplete

She'd been had

She was sad and blue

But you made her feel

Yes you made her feel

Shiny and new

Like a virgin

Touched for the very first time

Like a virgin

When your heart beats close in time

If you want her love

Fear is fading fast

She's saving it all for you

Only love can last

She's so fine and she's nice

She'll be yours til the end of time

Cause you made her feel

Yes you made her feel

She had nothing to hide

Like a virgin

Touched for the very first time

Like a virgin
When your heart beats close in time

Like a virgin
Feels so good inside
When you hold her and you touch her

Duke:
She's so fine
And she's mine
She makes me strong
Yes she makes me bold
And her love thawed out
Yes her love for thawed out
What was scared and cold

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats close in time

Like a virgin
Feels so good inside
When you hold her and you touch her
And you hold her and you touch her

Like a virgin
