Tomorrow - you'll find your hero  
We could been so good tonight  
Oh babe, this love never dies  
Tomorrow - shadows and sorrows  
Oh, love is stronger than pride  
Because, babe, my tears will dry  
Two hearts beating together  
One love is lasting forever  
True love will never deny  
Baby, baby, baby

2000 miles to love you -  
But baby I'm only a fool for a better story  
Oh baby, I only want you  
You're crying on the telephone  
You can't hide your heart  
You can sail the ship alone  
Everybody needs a little love

Tomorrow - we'll chase rainbows  
Don't lose your love paradises  
Oh babe for secret lies  
Tomorrow - I say I'm sorry  
When hearts will tumble down  
Love will make the world going around  
Two hearts beating together  
One love is lasting forever  
True love will never deny  
Baby, baby, baby

Tomorrow - you'll find your hero  
We could been so good tonight  
Oh babe, this love never dies  
Tomorrow - shadows and sorrows  
Oh, love is stronger than pride  
Because, babe, my tears will dry  
Two hearts beating together  
One love is lasting forever  
True love will never deny  
Baby, baby, baby

2000 miles to love you -

But baby I'm only a fool for a better story  
Oh baby, I only want you  
You're crying on the telephone  
You can't hide your heart  
You can sail the ship alone  
Everybody needs a little love

Tomorrow - we'll chase rainbows  
Don't lose your love paradises  
Oh babe for secret lies  
Tomorrow - I say I'm sorry  
When hearts will tumble down  
Love will make the world going around  
Two hearts beating together  
One love is lasting forever  
True love will never deny  
Baby, baby, baby
