This world is a burning fire  
Everybody pay his price  
You can't stop me my desire  
I'm the pirate of Paradise

I know Heaven is forever  
I can't stop, baby, loving you  
Here I dance on heavy weather  
I always will be true

Just another dream, I will share with you  
Just another night, gone and feeling blue  
Just another day, I can't say goodbye  
Hit me, hit me, baby, I don't lie

48 hours, come baby, hit me all night long  
48 hours, oh baby, make me, ooh, so strong  
48 hours, come, hear the rhythm of my heart  
I'm burning, burning, turning for a start

Only, only 48 hours  
You can make me strong and say  
Only, only 48 hours  
We'll be rocking, we'll be talking to the U.S.A.

This love is like a thunder  
Oh, nobody knows my way  
No heartaches by the number  
I can't win if I don't play

Outside the gates of Heaven  
A love is hard to find  
Close your eyes to seven  
You are always on my mind

Just another dream, I will share with you  
Just another night, gone and feeling blue  
Just another day, I can't say goodbye  
Hit me, hit me, baby, I don't lie

48 hours, come baby, hit me all night long  
48 hours, oh baby, make me, ooh, so strong

48 hours, come, hear the rhythm of my heart  
I'm burning, burning, turning for a start

Only, only 48 hours  
You can make me strong and say  
Only, only 48 hours  
We'll be rocking, we'll be talking to the U.S.A.

48 hours, come, baby, hit me all night long  
48 hours, oh baby, make me, ooh, so strong  
48 hours, come, hear the rhythm of my heart  
I'm burning, burning, turning for a start

Only, only 48 hours  
You can make me strong and say  
Only, only 48 hours
