Oh, she heard the news, it's time to go  
And she watching how the river flow  
The sun was going down, the sun was going down  
Oh, going down

Too proud to cry, oh, she was sad  
There's no friend, oh, it's a drag  
The sun was going down, the sun was going down  
Oh, going down

That's deep emotion like a fire in the rain  
That is devotion but you cannot kill the pain

Oh, you cannot beat the best  
She's tougher than the rest  
Oh girl, baby, baby, baby  
My heart is such a mess  
It's a crazy world

Oh, you cannot beat the best  
You're better than the rest  
Oh girl, baby, baby, baby  
My love is such a mess  
It's a crazy world

Oh, the sky was gray, she turned to stone  
Oh, this world alone was not at home  
The sun was going down, the sun was going down  
Oh, going down

There's no friend, no name, no number, girl  
But there is a hope, oh, on this world  
The sun was going down, the sun was going down  
Oh, going down

That's deep emotion like a fire in the rain  
That is devotion and someday you'll kill the pain

Oh, you cannot beat the best  
She's tougher than the rest  
Oh girl, baby, baby, baby  
My heart is such a mess

It's a crazy world

Oh, you cannot beat the best  
You're better than the rest  
Oh girl, baby, baby, baby  
My love is such a mess  
It's a crazy world

Oh, you cannot beat the best  
She's tougher than the rest  
Oh girl, baby, baby, baby  
My heart is such a mess  
It's a crazy world
