I know my love will find away
I miss you baby - it's hard to say
And if you love me like I am
I'll be there - I'll be your man
I know I hurt you - the way that I leave you
I know I fool you tonight
Oh love can build a bridge to you
I'm waiting baby - see what love can do
I give my heart - just all of me
Take all of my heart - don't set me free
I know I hurt you - the way that I leave you
I know I fool you tonight
