Ohh hey Marki, listen to this song, ohh, no
I don't know if it's right or wrong
It's not easy to tell you my feelings

Ohh hey Marki, when you're old enough, ohh, no
You see, this life is tough
It's not easy to tell you my feelings

Ohh, my time, my time will slip away
Can't hold it baby
You getting older every day

If you're crossing the river
If you're crossing this river, ohh, no
You're not a boy, ohh, anymore
Not a little boy

If you're crossing the river
If you're crossing this river, ohh, no
You're not a boy, ohh, anymore
Not a little boy

Ohh hey Marki, it's not a lie, ohh, no
There were million tears I cried
It's not easy to tell you my feelings

Ohh hey Marki, I was so alone
Without you there's no home
It's not easy to tell you my feelings

I was strong but my heart it was so weak
Can't hold it baby
See you tonight, ohh, in my sleep

If you're crossing the river
If you're crossing this river, ohh, no
You're not a boy, ohh, anymore
Not a little boy

If you're crossing the river
If you're crossing this river, ohh, no
You're not a boy, ohh, anymore

Not a little boy no more
