Dam, dam, dubi du, dam
I need you more than everyone
Dam, dam, dubi du, dam
I know it hurts to be alone

Dam, dam, dubi du, dam
I need you more than everyone
Dam, dam, dubi du, dam
I know it hurts to be alone

Oh, do you really, really go
Baby, say it isn't so?
Do you really really know
That I miss you baby?

Baby, how will I know
Your love is like a fire?
Baby, how will I know
You'll feel a strong desire?
How will you go from here to me?

Dam, dam, dubi du, dam
I need you more than everyone
Dam, dam, dubi du, dam
I know it hurts to be alone

Oh, do you really really go
Baby, say it isn't so?
Do you really really know
That I miss you baby?

Oh, be my baby
Oh, be my baby

How will I know
Your eyes are always lying?
Baby, how will I know
I never saw you crying?
How will you go from here to me?

Dam, dam, dubi du, dam
I need you more than everyone

Dam, dam, dubi du, dam
I know it hurts to be alone

Oh, do you really really go
Baby, say it isn't so?
Do you really really know
That I miss you baby?

Dam, dam, dubi du, dam
I need you more than everyone
Dam, dam, dubi du, dam
I know it hurts to be alone

Dam, dam, dubi du, dam
I need you more than everyone
Dam, dam, dubi du, dam
I know it hurts to be alone

Dam, dam, dubi du, dam
I need you more than everyone
Dam, dam, dubi du, dam
I know it hurts to be alone

Dam, dam, dubi du, dam
I need you more than everyone
