Deep, deep down and deeper
(Deeper and deeper)
Deep, deep down and sweeter
(Sweeter and sweeter)

Deep, deep down and deeper
Deep, deep down
Deeper and deeper

Deep, deep down and sweeter
Deep, deep down
Sweeter and sweeter

Tell me why, baby, I'm a jealous guy
(I miss you)
One more try, I believe that lonely lie
(I miss you)

Whatever takes our love together
I tell you I will love you ever
Oh, you mean the world to me

Deep, deep down and deeper
Deep, deep down
Deeper and deeper

Deep, deep down and sweeter
Deep, deep down
Sweeter and sweeter

I want you, I need you, I feel you
Deeper and deeper
I love you, I miss you, I touch you
Sweeter and sweeter

Tell me true, all the colors are not blue
(I miss you)
Oh, for you all my dreams are coming true
(I miss you)

Oh baby, why you are so lonely
Baby, I tell you, you're the only

Oh, you mean the world to me

Deep, deep down and deeper
Deep, deep down
Deeper and deeper

Deep, deep down and sweeter
Deep, deep down
Sweeter and sweeter

I want you, I need you, I feel you
Deeper and deeper
I love you, I miss you, I touch you
Sweeter and sweeter

Deeper and deeper
Sweeter and sweeter

Deep, deep down and deeper
Deep, deep down
Deeper and deeper

Deep, deep down and sweeter
Deep, deep down
Sweeter and sweeter

I want you, I need you, I feel you
Deeper and deeper
I love you, I miss you, I touch you
Sweeter and sweeter
