That's no lie, no Deja Vu
Oh you trying, trying, trying
To steal my heart away, away, away

Baby, just tonight, you're so good to me
My number one, 90 ways to fight
Is no guarantee, we can't go wrong

My heart is a lonely number
B-b-baby, I'm more than a lover
K-k-kiss me, maybe my love will drive you crazy

It's no Deja Vu, oh, it's like a dream to me
Baby, can't you see, I'll hold you forever
I can make it better, you get what you want out of me?

It's no Deja Vu, you are still a mystery
Baby, can't you see, my heart is in motion
I'll give you devotion, oh baby, you're too good for me?

Ooh, that's no lie
Well you trying, trying, baby
Oh, you trying, trying, baby

Baby, I'll be there for your lonely heart
God only knows
Baby, I do care, never tear apart
Heaven will show

My heart is like a thunder
B-b-baby, you can't stop my feelings
K-k-kiss me, maybe my love will drive you crazy

It's no Deja Vu, oh, it's like a dream to me
Baby, can't you see, I'll hold you forever
I can make it better, you get what you want out of me?

It's no Deja Vu, you are still a mystery
Baby, can't you see, my heart is in motion
I'll give you devotion, oh baby, you're too good for me?

It's no Deja Vu, oh, it's like a dream to me

Baby, can't you see, I'll hold you forever
I can make it better, you get what you want out of me?

It's no Deja Vu, you are still a mystery
Baby, can't you see, my heart is in motion
I'll give you devotion, oh baby, you're too good for me?
