Don't fall in love with a dreamer  
Feel your heart, a burning fire  
A magic dragon takes me higher  
Oh, I lost that crazy feeling  
See the devil coming, rocking and reeling

Magic echoes, circle seasons  
See the rainbow without a reason  
If you know my reputation  
Hold me, baby, hold me, rock the nation

Tell me what you dream?  
My dreams will never die  
Tell me what you see?

Don't tell me I love my baby now  
Don't tell me I lose my feeling  
Don't tell me I care for you  
Don't tell me I make up blue

Don't tell me I love my baby now  
Don't tell me I lose my feeling  
Don't tell me I care for you  
Don't tell me I make up blue

Don't fall in love with a dreamer  
Oh, baby take the sea and heaven  
Angels singing at eleven  
Many hearts will be broken  
How many dreams left and spoken?

The morning after, play with fire  
I had a vision of desire  
See a flame, a yellow candle  
It's my sign, I have to handle

Tell me what you dream?  
My dreams will never die  
Tell me what you see?

Don't tell me I love my baby now  
Don't tell me I lose my feeling

Don't tell me I care for you  
Don't tell me I make up blue

Don't tell me I love my baby now  
Don't tell me I lose my feeling  
Don't tell me I care for you  
Don't tell me I make up blue

Don't tell me I love my baby now  
Don't tell me I lose my feeling  
Don't tell me I care for you  
Don't tell me I make up blue

Don't tell me I love my baby now  
Don't tell me I lose my feeling  
Don't tell me I care for you  
Don't tell me I make up blue
