Don't you want my foolish heart?
Don't you wanna tear apart?
Or is it just a dream, or is it true, baby?

Baby, baby, come on, take my time
Wake up, darling, love is hard to find
Don't hurt me
You said, "Love is just for free"

Baby, I don't wanna cry no more
Oh, you're knocking on forbidden doors
Come hold me
You said, "Love is ecstasy"

Oh, baby, baby, can't you hear my lonely heartbeat
Oh, baby, baby, please be mine

Don't you want my foolish heart?
Don't you wanna tear apart?
Or is it just a dream, or is it true, baby?
Don't you want my foolish heart?

Don't hurt me
Don't you wanna tear apart
I swear you, I will die
Or is it just a dream, or is it true, baby?

Baby, baby, oh it's loneliness
Babe, I'm waiting for your tiny kiss
Don't leave me promise me eternity
Baby, baby, oh this heaven speaks

Oh, my heart is lonely and it's weak
Come hold me
You said, "Love is just for free"

Oh, baby, baby, can't you hear my lonely heartbeat
Oh, baby, baby, please be mine

Don't you want my foolish heart?
Don't you wanna tear apart?
Or is it just a dream, or is it true, baby?

Don't you want my foolish heart?

Don't hurt me

Don't you wanna tear apart?

I swear you, I will die

Or is it just a dream, or is it true, baby?

Don't you want my foolish heart?

Don't you wanna tear apart?
