Jealous in the moonlight, baby
You a sentimental lady
You get always what you want from me

Ohh, you're flirting with disaster
When my heart is beating faster
Baby, you can have my love for free

Heaven is on fire
(Fire precious love)
Hopeless desire
(All I'm dreaming of)

Never back to strangers
(Ohh, you've got a friend)
Ohh, come take my heart babe
There will be no end

Emanu, manu, manuelle, I'm searching for a friend,
come on
Ohh, I'm born to run, babe
Emanu, manu, manuelle, I know my feelings well, come
on
Can make it on my own, babe

Ever need to never, baby
Nights will last forever
Lady, there'll never be another you

Hear my heart is beating, baby
And I'm always dreaming maybe
One day I'll break the golden rules

Every time you touched me
(Ohh, don't let me go)
Hear, my heart beats faster
(Ohh, I lose control)

When the night is over
(Ohh, you've got a friend)
Ohh, come take my heart, babe
There will be no end

Emanu, manu, manuelle, I'm searching for a friend,
come on
Ohh, I'm born to run, babe
Emanu, manu, manuelle, I know my feelings well, come
on
Can make it on my own, babe

Emanu, manu, manuelle, I'm searching for a friend,
come on
Ohh, I'm born to run, babe
Emanu, manu, manuelle, I know my feelings well, come
on
Can make it on my own, babe
