Good, good guys don't cry  
Oh, his tears will never dry  
Every legend has a heart

Two strangers side by side  
There is loneliness to hide  
My heart is so  
Out of tune tonight

G.T.O. dreaming, baby  
Young and strong and feeling, baby  
G.T.O. I'm stealing, baby  
Rocking and dreaming, lady

Make my dreams come true  
Come on, come on  
Come on, come on  
Make my dreams come true

Two minutes from downtown  
In the city of the lost and found  
I will break hearts around

Come from the point of no return  
That's a fire that will burn  
My heart is so  
Out of tune tonight

G.T.O. dreaming, baby  
Young and strong and feeling, baby  
G.T.O. I'm stealing, baby  
Rocking and dreaming, lady

Make my dreams come true  
Come on, come on  
Come on, come on  
Make my dreams come true

G.T.O. dreaming, baby  
Young and strong and feeling, baby  
G.T.O. I'm stealing, baby  
Rocking and dreaming, lady

Make my dreams come true  
Come on, come on  
Come on, come on  
Make my dreams come true
