I miss you  
I feel blue

I know it hurts to be alone  
Silence of tears are living in your home  
Sleep safe tonight my careless love  
I will steal you, the stars above

Oh, when you smile, I?m smiling too  
I promised you your dreams will come true  
Sleep safe tonight, soon I?ll be there  
You?re my princess, my solitaire

Goodnight Marielin  
It?s time to go to bed it seems  
I will dim the lights for you  
Hope your biggest dream come true

Goodnight Marielin  
I promise you the sweetest dream  
All the teddies say goodnight  
And your daddy holds you tight

I know it hurts, the night is dark  
But I'll swear, you?re always in my heart  
I'll give my life and you will see  
If someone hurts you, it?s hurting me

I?ll give you all the air I breathe  
I?ll pray to God, I?m falling on my knees  
Keep care my God, always be there  
If she needs you, oh, God keep care

Goodnight Marielin  
It?s time to go to bed it seems  
Oh, I will dim the lights for you  
Hope your biggest dream come true

Goodnight Marielin  
I promise you my sweetest dream  
All the teddies say goodnight  
And your daddy holds you tight

Goodnight Marielin  
It's time to go to bed it seems  
Oh, I will dim the lights for you  
Hope your biggest dream come true

Goodnight Marielin  
I promise you my sweetest dream  
All the teddies say goodnight  
And your daddy holds you tight

Goodnight Marielin
