She was just a little girl, a lonely child
She was so sad when her love died
I was her little guy, her brother for a while

She was only 17, she ran away
I was so sad, oh, come what may
I was her little guy, her brother for a while

I never got a letter, I never heard of her
Was it just a one night love affair

Here I go again and you're the winner, baby
Love is not a game, love is desire
Here I go again and I'm no sinner, baby
When it all began, love is a fire

Anytime and anyway, my baby
Everybody, oh, will drive you crazy
Anytime and any day forever, stay together

She was just a little shy, a lonely smile
Deep in her heart she was so wild
She was the cutest girl on this whole wide world

It was only 7 days, I'm waiting again
This time she had another man
I was a jealous guy, oh, baby tell me why

I never get a letter, oh, tell me is the end
Where is all the love you pretend?

Here I go again and you're the winner, baby
Love is not a game, love is desire
Here I go again and I'm no sinner, baby
When it all began, love is a fire

Anytime and anyway, my baby
Everybody, oh, will drive you crazy
Anytime and any day forever, stay together

Here I go again, anytime and anyway, my baby
Love is not a game, everybody, oh, will drive you crazy

Here I go again, anytime and anyway, my baby
When it all began, everybody, oh, will drive you crazy

Here I go again, anytime and anyway, my baby
Love is not a game, everybody, oh, will drive you crazy
Here I go again, anytime
