Oh, take me just the way i'm
Oh, let me be your friend
Tell me it's forever
Oh, you - like a shining star
So beautiful but far
.... your dreams together
Oh babe, it's raining in my heart
Just a game you play
And then you break my heart

I believe you're an angel - I believe you're an angel
If you would come from heaven - heaven must be
missing you
I believe you're an angel - I believe you're an angel
When I say I love you - you're always in my heart
Oh, say the words I wanna hear
I wanna be so near
And hold you just forever
Oh, do you think that time stands still ?
I wanna feel your thrill
There's never be a never
Oh babe, the tears that I cried for you
I never saw a girl
I loved you like I do
