I miss, I miss, I miss you
I miss you night and day
I miss, I miss, I miss you
Come back, heaven stay

I miss, I miss, I miss you
I miss you night and day
I miss, I miss, I miss you
Come back, heaven stay

Baby, babe, believe me
You're talking in your sleep
I promised you, believe me
Our secrets I will keep

Oh, baby, babe, I swear you
I send an SOS for you
And if you really want me
I'll never make you blue

And if you promise it's forever
Oh, baby can't we live together?

I miss, I miss, I miss you
I miss you night and day
I miss, I miss, I miss you
Come back, heaven stay

And when I die, I die for you
And when I cry, I cry just for you
Every little thing, everything I do for you
(Babe, I miss you)
With or without you, with or without you

Baby, babe, believe me
I call you on the phone
I promised you, believe me
But babe, I'm so alone

Oh baby, let me hold you
There's something going on
You know that I have told you

Heaven is for everyone

And if you promise it's forever
Baby, can't we live together?

I miss, I miss, I miss you
I miss you night and day
I miss, I miss, I miss you
Come back, heaven stay

And when I die, I die for you
And when I cry, I cry just for you
Every little thing, everything I do for you
(Babe, I miss you)
With or without you, with or without you

I miss, I miss, I miss you
I miss you night and day
I miss, I miss, I miss you
Come back, heaven stay

I miss, I miss, I miss you
I miss you night and day
I miss, I miss, I miss you
Come back, heaven stay
