Sailor of my heart, sailor of my fun  
Oh, you need my stuff, oh, we're born to run  
Hear my heartbeat, hear my heartbeat  
Babe, tonight, oh, it's a love beat

In these lonely nights, oh, we'll come and go  
How do fools survive when your pain will grow?  
Hear my heartbeat, hear my heartbeat  
Babe, tonight, oh, it's a love beat

I want to be, be your brother, be your brother, girl  
I want to be your friend  
I want to be, be your brother, be your brother, girl  
Baby, come take my hand

I want to be, be your brother, be your brother, girl  
I want to be your friend  
I want to be, be your brother, be your brother, girl  
Baby, come take my hand

Sailor I don't care if you're right or wrong  
I will be there, when you're friends are gone  
Hear my heartbeat, hear my heartbeat  
Babe, tonight, it's a love beat

Sailor of your heart, oh, it's out of tune  
Oh, let us start just to [Incomprehensible] the moon  
Hear my heartbeat, hear my heartbeat  
Babe, tonight it's a love beat

I want to be, be your brother, be your brother, girl  
I want to be your friend  
I want to be, be your brother, be your brother, girl  
Baby, come take my hand

I want to be, be your brother, be your brother, girl  
I want to be your friend  
Oh, let us stay in together, girl  
Baby, come take my hand

I want to be, be your brother, be your brother, girl  
I want to be your friend

I want to be, be your brother, be your brother, girl  
Baby, come take my hand
