Oh, I dream - the dream is over  
In the middle of the night.  
Oh, I need you more than ever,  
Oh, I need you by my side.  
Oh, someday we'll be together  
And the earth will move again.  
Till this day i wait forever -  
I will always be your friend  
And I hear your heart is crying,  
But these tears are not for me.  
But you never gonna win,  
And I never gonna lose  
Baby, come on set me free...

If I can't have your love  
I don't want it at all.  
If I can't have your love  
I won't stand after fall.  
If I can't have your love  
I won't see you again.  
If I can't have your love  
I can't understand...

Oh, I feel you are an angel,  
But I know that it's not true.  
Oh, I thought this love was heaven,  
But I'm just a fool for you.  
And I feel my heart is dying  
And my tears I cry for you.  
But you never gonna win,  
And I never gonna lose  
Baby, come on set me free...

If I can't have your love  
I don't want it at all.  
If I can't have your love  
I won't stand after fall.  
If I can't have your love  
I won't see you again.  
If I can't have your love  
I can't understand...

Forgive my heart  
(Forgive my heart)  
Forgive my soul  
(Forgive my soul)  
I always loved you so  
And it always hurts...

If I can't have your love  
I don't want it at all.  
If I can't have your love  
I won't stand after fall.  
If I can't have your love  
I won't see you again.  
If I can't have your love...

I will never love again...
