I said that I'm sorry
We can't build a fire in the rain
Don't throw away a miracle
Oh, my heart is like a flame
I sail on the rainbow

How deep is your love? You mean to me
Venice on the frozen heart
Sad words on my destiny
You are a victim, a victim of love

Is it a shame to love me?
Baby, take another guy
Leave me just alone
Is it a shame? Oh tell me

Baby, that's the reason
Why I can't take your home
Read my lips and they will tell you
I want to win, I never feel blue
Read my lips and see what love can do

Oh, aches in [unverified]
Oh, you have to give or have to go
Don't change the color of your hair
You deceive a broken soul
My heart will be broken

My world is a dream, I dreamed with you
And if you ever change your mind
Baby, then you are a fool
You're a victim, a victim of love
