You must be joking
When you're telling this lies
You must be fooling only your alibis
Why you are so unfair to me?

You must be cheating if you play with my heart
[Incomprehensible] that you break it apart
Why you are so unfair to me?
Why you are so unfair to me?

Is it love? Is it love? I get never enough
Love come easy be mine tonight
Is it love? Is it love? You're playing so tough
Love me easy be mine tonight

You must be dreaming of that American
You must be thinking, oh I have lost my mind
Why are you so unfair to me?

Oh, you were telling it's love at first sight
Why you are trying make my heart [Incomprehensible]
Why are you so unfair to me? Is it a dream or is it real?

Is it love? Is it love? I get never enough
Love come easy be mine tonight
Is it love? Is it love? You're playing so tough
Love me easy be mine tonight

Is it love? Is it love? I get never enough
Love come easy be mine tonight
Is it love? Is it love? You're playing so tough
Love me easy be mine tonight

Is it love? Is it love? I get never enough
