Hearts will be broken, oh, one with the sun  
I fly to a rainbow where my love begun  
Tears in my eyes, oh, pain in my heart  
Baby, don't break it apart

How can I lose baby, what I never had?  
That's baby one thing that Lisa said  
The end of our love is the end of my life  
Oh, baby will I survive?

Oh, no, Lisa said, ?I'm sorry, I sail my ship alone?  
Lisa said, ?Don't worry, my heart is not your home?  
Lisa said, ?I'm crying 'cause I have to go?  
Oh, Lisa said, ?Love's dying, say it isn't so?

Oh, where did you sleep girl? She can't explain  
Baby, you hurt me, I have to complain  
The better they are, oh, the harder they fall  
And baby, I need your call

She danced on the dance floor, my heart is a mess  
A lonely wide romance, she'd never confess  
Just tell me baby, where my dreams fly  
Baby, don't say goodbye

Oh, no, Lisa said, ?I'm sorry, I sail my ship alone?  
Lisa said, ?Don't worry, my heart is not your home?  
Lisa said, ?I'm crying 'cause I have to go?  
Oh, Lisa said, ?Love's dying, say it isn't so?

Oh, no, Lisa said, ?I'm sorry, I sail my ship alone?  
Lisa said, ?Don't worry, my heart is not your home?  
Lisa said, ?I'm crying 'cause I have to go?  
Lisa said, ?Love's dying, say it isn't so?
