When you take my love
Baby, how I cry for you
Love will grow, things are getting tough
Where did my tomorrow go?

Believe it, babe or not
Never ever let you go
When you're tearing apart
Secret lover let me know, let me know

I miss you so, little Jeannie
I can feel your heart, can you feel it?
Never tear apart, little Jeannie
Feel my heart is true

I miss you so, little Jeannie, baby, don't go
You're too hot to hold my love
Don't stop, I'll never ever give you up

[Incomprehensible]

When I sleep alone
Secret lover, heal my heart
Face the dream, make you heart of stone
I'm a King without a crown

Believe it, babe or not
Never ever let you go
When you're tearing apart
Secret lover let me know, let me know

I miss you so, little Jeannie
I can feel your heart, can you feel it?
Never tear apart, little Jeannie
Feel my heart is true

I miss you so, little Jeannie, baby, don't go
You're too hot to hold my love
Don't stop, I'll never ever give you up

I miss you so, little Jeannie
I can feel your heart, can you feel it?

Never tear apart, little Jeannie
Feel my heart is true

I miss you so, little Jeannie, baby, don't go
You're too hot to hold my love, don't stop
