Love is such a lonely sword
Love is such a lonely sword

You can't go where roses grow
If you love me let me know
Come love me I swear you
I never will go

Silence, it's a strong reply
It's no way to say goodbye
Come love me I swear you
I never will go

Love is so invisible
Comprehend impossible
I love you, I swear you
I never will go

I will hide my tears
Love is such a lonely sword
I will share your fears
Love is such a lonely sword

Oh, Catherine wheel
My Catherine wheel
Oh, love is like a history

Oh, Catherine wheel
My Catherine wheel
Come home

Love is such a lonely sword
Love is such a lonely sword

I don't know I can explain
What a kind of fool I am
Come love me, I swear you
I never will go

Maybe you can make my day
Seven lonely nights I pray
Come love me, I swear you

I never will go

Love is so invisible
Comprehend impossible
I love you, I swear you
I never will go

I will hide my tears
Love is such a lonely sword
I will share your fears
Love is such a lonely sword

Oh, Catherine wheel
My Catherine wheel
Oh, love is like a history

Oh, Catherine wheel
My Catherine wheel
Come home

I will hide my tears
Love is such a lonely sword
I will share your fears
Love is such a lonely sword

I will hide my tears
Love is such a lonely sword
I will share your fears
Love is such a lonely sword
