Oh, she cried and she said, "I have to go
Someday I'll be back and I know
I love you babe, it's my mistake"

"Sometime when we touch, I heal your heart
I'm waiting for you, will you break apart?
I love you baby, it's my mistake"

"Tell me if it's time for me to go
Please tell me oh my babe, just say no"

Mrs. Jones, have you seen her?
Mrs. Jones, we have it all
It's a little bit unfair, oh she never tried to calm

Mrs. Jones, wheels are turning
Mrs. Jones, that's no lie
Oh, my heart is burning like a secret lullaby

Baby, how can I lose what I never had?
A wonderful world but you drive me mad
I love you baby, it's my mistake

It started in Heaven against the world
My heart is like a burning Hell
I love you baby, it's my mistake

May I sleep with you? Dream tonight
Sorry, doesn't always make it right

Mrs. Jones, have you seen her?
Mrs. Jones, we have it all
It's a little bit unfair, oh she never tried to calm

Mrs. Jones, wheels are turning
Mrs. Jones, that's no lie
Oh, my heart is burning like a secret lullaby

Mrs. Jones, have you seen her?
Mrs. Jones, we have it all
It's a little bit unfair, oh she never tried to calm

Mrs. Jones, wheels are turning
Mrs. Jones, that's no lie
Oh, my heart is burning like a secret lullaby

Mrs. Jones, Mrs. Jones, oh, Mrs. Jones
