On and on and on and on and on  
On and on and on and on and on

On and on and on and on and on  
I miss you, miss you  
On and on and on and on and on  
I miss you, miss you

Baby, I protect you, never will forget you  
But I owe you nothing, I owe you nothing  
Baby, we're united, baby, don't divide it  
But I owe you nothing, I owe you nothing

Oh, it's more I can bear  
Oh, it's more my heart will swear  
But I'll always miss you, girl  
Oh, I'll always need you, girl

On and on and on and on we go  
I miss you, miss you  
On and on and on and on we show  
I miss you, miss you

I miss you, miss you  
I miss you, miss you  
Oh, I miss you  
I miss you, miss you  
I miss you, miss you  
Oh, I miss you

Baby, we're together till the end of never  
But I owe you nothing, I owe you nothing  
Baby, I will waiting, never hesitating  
But I owe you nothing, I owe you nothing

Oh, it's more I can bear  
Oh, it's more my heart will swear  
But I'll always miss you, girl  
Oh, I'll always need you, girl

On and on and on and on we go  
I miss you, miss you

On and on and on and on we show  
I miss you, miss you

I miss you, miss you  
I miss you, miss you  
Oh, I miss you  
I miss you, miss you  
I miss you, miss you  
Oh, I miss you

On, on, on, on  
On, on, on, on

On and on and on and on we go  
I miss you, miss you  
On and on and on and on we show  
I miss you, miss you

On and on and on and on we go  
I miss you, miss you  
On and on and on and on we show  
I miss you, miss you
