System made it, babe
I'm praying to the aliens
System made it, babe
Send me a dream
Oh, oh, oh, oh, oh

She is dressed just in red
All the boys around her are mad
She believes in fairytales
Like a rope she is good
Breaking love is hard to do

Oh, babe, our looks will never fade
She is a pretty baby, she beat the devil
Always break my heart
In the streets of nowhere, I'm fighting for her
Oh no, don't break apart

Send me a dream, a dream, a dream
Oh, I'm praying to the aliens
Send me a dream, a dream, a dream
I saw a vision on the screen

I need a super woman
(Aha)
A super woman
(Aha)
Oho, I'm waiting for my dream

I need a super woman
(Aha)
A super woman
(Aha)
Oh baby, I have never seen

System made it, baby
I'm praying to the aliens
System made it, babe
Send me a dream
Oh, oh, oh, oh, oh

Oh, wake up, that's no lie

See an orange colored sky
Like an unchained melody
Catch the stars in the night
See the fantasy in light

Oh babe, still water's running deep
She is a pretty baby, she beat the devil
She always break my heart
In the streets of nowhere, I'm fighting for her
Oh no, don't break apart
