Dirty talk, a dirty street  
Another night, it's bitter sweet  
I just wanna make good love to you  
I build a home for you and me

Baby, oh a mystery  
Can't you see babe?  
What a love can do?  
I wanna kiss you, baby  
Oh, better be a lady tonight

Oh, you can see forever  
Oh baby, we're together  
Deep down in the morning  
Deep down in the night

Read my lips, read my love  
Make me blue  
One more night, one more kiss  
Just for you, read my lips  
Say your will will be mine  
Painted rose till the end of the time

Oh, it's too late, don't stop me, girl  
Breaking up is not my world  
I just want to make love with you  
Sorry, doesn't make it right  
Baby in a restless night

Can't you see babe?  
What a love can do ?  
I wanna kiss you baby  
You better be a lady tonight

Oh, you can see forever  
Oh babe, we're together  
Deep down in the morning  
And deep down in the night
