I'm not your Juliet and you're not Romeo
But I will love you, baby, time will show

I'll give you everything and that's no compromise
See my broken wings to your alibis
Crying ninety tears, no sacrifice
Broken souvenirs in paradise

Oh, I never promised you love
Oh, when my heart is not enough
Oh, it's like an ocean of love to me

I'm not your Romeo and you're not Juliet
After the curtain falls, I'll drive you mad
Oh, baby heaven, just sweet heaven has sent you

I'm not your Romeo and you're not Juliet
But I will love you, love you, love you, drive you mad
Oh, baby, there will never be another you

Love on the telephone, it's killing me
I'll sail my ship alone, old memory
Back to Babylon, in my fantasy
Gonna lock my heart and losing the key

Oh, I never promised you love
Oh, when my heart is not enough
Oh, it's like an ocean of love to me

I'm not your Romeo and you're not Juliet
After the curtain falls, I'll drive you mad
Oh, baby heaven, just sweet heaven has sent you

I'm not your Romeo and you're not Juliet
But I will love you, love you, love you, drive you mad
Oh, baby, there will never be another you

I'm not your Romeo and you're not Juliet
After the curtain falls, I'll drive you mad
Oh, baby heaven, just sweet heaven has sent you

I'm not your Romeo and you're not Juliet

But I will love you, love you, love you, drive you mad
Oh, baby, there will never be another you
Another you, another you
