Clive was a rolling stone
The lonely highway was his home
Father told him what he used to be
"Don't bring scandal on my family", he said it

Friends were always right on time
Oh no, there is darkness, there is crime
Things ain't anymore they used to be
"Don't bring scandal on my family"
He said, "Don't bring scandal on my family"

Oh no, why is love such a sacrifice for you?
On my wings of destiny
Leaving live and in harmony

Oh no, why is love such a sacrifice for you?
On the road of mystery
You lose your heart and eternity

[Incomprehensible] didn't understand
Oh, he stole money, killed a man
Destroyed his life, no sense to be
He brought scandal on my family, oh, no

Oh, he was not man enough
He killed himself, thought it's tough
Before he died he said to me
"Don't want scandal on my family"
He said, "Don't want scandal on my family"

Oh no, why is love such a sacrifice for you?
On my wings of destiny
We're leaving live and in harmony

Oh no, why is love such a sacrifice for you?
On the road of mystery
You lose your heart and eternity

Oh no, why is love such a sacrifice for you?
On my wings of destiny
We're leaving live and in harmony

Oh no, why is love such a sacrifice for you?
On the road of mystery
You lose your heart and eternity

Oh no, no, why is love such a sacrifice for you?
I don't know why is love such a sacrifice for you?
Please tell me why is love such a sacrifice for you?
Why?
