Oh, take the midnight train in a rainbow drive
The king of the clown is dancing disco jive
I want the book of life, baby, in that night cafe
We're dancin' all the night in the Champs-Elysees

Oh, I'm born to lay in this heartbreak hotel
Diamonds are forever, my mother would tell
In a midnight train to LA
On a wide hall, baby, it's okay

I said
(Save me)
Take the trip like did before
(Love me, help me)
(Lady, my love, save me)

Don't look back and don't look sad
(Love me)
Heartache in my Cadillac
(Help me)
Heart to heart and soul to soul
(Lady, my love)

Come on and check it out
Come on, play a love

I wanna shake it out, shake it on the groove
Marylin is dancing on the hotel roof
I know an unknown soldier on an unknown land
He's just playing for a sleep in the freedom

I wanna shake it out, wanna shake it of you
Come on, it's not easy, come, don't make me cry
I wanna a geisha girl and some voodoo nights
I wanna rock you, baby, in the savanna nights

I said
(Save me)
Take the trip like did before
(Love me)

Dancing to the dinosaur

(Help me)
Cheek to cheek, I need the need
(Lady, my love, save me)

Don't look back and don't look sad
(Love me)
Heartache in my Cadillac
(Help me)
Heart to heart and soul to soul
(Lady, my love)
