A cold wind blow
Baby, across my heart
And a heart of a clown
Oh, just break apart

Step inside
Love will keep you warm
Or a river to cross
You did it with your charm

Oh, come send me an angel
Oh, come send me some love
It's hard and I feel it
When I fall in love

Silent water, nights of heartache
Silent water, full of tears
I'm a man with broken heart, babe
I'm lost in pain and fears

Silent water, where we start, babe?
Silent water, full of pride
Here, the ocean in my heart, babe
Alone, oh, I have cried

I saw you in my world
Baby, just for love
While a love is all
No mountain's high enough

We [Incomprehensible]
Baby, we can't go on
Just take my hand
In the lights of dawn

Come send me an angel
Oh, come send me some love
It's more than a feeling
When I fall in love

Silent water, nights of heartache
Silent water, full of tears

I'm a man with broken heart, babe
I'm lost in pain and fears

Silent water, where we start, babe?
Silent water, full of pride
Here, the ocean in my heart, babe
Alone, oh, I have cried

Silent water, nights of heartache
Silent water, full of tears
I'm a man with broken heart, babe
I'm lost in pain and fears

Silent water, where we start, babe?
Silent water, full of pride
Here, the ocean in my heart, babe
Alone, oh, I have cried
