Down in the flame, down in the passion
Oh, I'm a slave to love
I play no game, it's all obsession
Words are not enough

Oh, give me love, give me that special feeling
Oh, give me all and let us rocking and reeling
Oh, give me sex, give me hope for this game tonight

B-b-baby, don't be sister cool
Oh, I'll make good love to you
I waited every night, I waited every day
Baby, come tell me you're making my day

B-b-baby, don't be sister cool
I show you what a love can do
You gave me such golden days
You gave me such golden nights
Slowly but surely we'll wait [Incomprehensible]

Kissing the fool, kissing the fire
The closer we can get
Don't break the rules of deep desire
Sleepin' in your bed

Oh, give me a chuck, give me a sweet sensation
Oh, give me all, I want is good vibration
Oh, give me sex, give me love for this sweet, sweet
night

B-b-baby don't be sister cool
Oh, I'll make good love to you
I waited every night, I waited every day
Baby, come tell me you're making my day

B-b-baby, don't be sister cool
I show you what a love can do
You gave me such golden days
You gave me such golden nights
Slowly but surely we'll wait [Incomprehensible]

B-b-baby, don't be sister cool

Oh, I'll make good love to you
I waited every night, I waited every day
Baby, come tell me you're making my day
