Go, if you want go
Stay, if you don't know
Friends, stay together baby
Call me I'll be there

Feel, what you wanna feel
Mine, oh love's so real
Friends, we're forever baby
Here and everywhere

Don't, keep your distance
Don't, lose your resistance
Don't, you want my heart?

That's love, we'll win again
This love is like an ocean
That's love, it's not a game
How deep is your emotion?

That's love, a burning flame
This love is like a fire
That's love, it's not the same
You can't stop my desire

Call, if you want me
Fall, if you can't see
Try, if you want to try
All of my sweet heart

Words, don't come easy
Words, they can hurt me
Friends, stay together baby
Never break apart

Don't, play fire
Don't, stop desire
Don't, you want my heart?

That's love, we'll win again
This love is like an ocean
That's love, it's not a game
How deep is your emotion?

That's love, a burning flame
This love is like a fire
That's love, it's not the same
You can't stop my desire

That's love, we'll win again
This love is like an ocean
That's love, it's not a game
How deep is your emotion?

That's love, a burning flame
This love is like a fire
That's love, it's not the same
You can't stop my desire
