I got a message from the stars
Like the moonlight serenade
I'm looking through the eyes of love
It's not too late

You know, the legends never die
Close your eyes and count to ten
Looking through the eyes of love
Feel you babe, again

Masquerade of loneliness
Masquerade, ohh, it's a mess
Can't you see, what I feel?
Come on, come on

Titanic 650604
Could it be magic, give me more
Titanic, Titanic, hear the beat of your fire
Titanic 650604
Light a candle, close the door
Titanic, see your painted smile, feel desire

Come, let's be on tonight
I never get enough
I never gonna give you up
I never get enough

Saw you in that light
In the old, 'Old Night Cafe'
I'm looking through the eyes of love
Ohh, what could I say?

Masquerade of loneliness
Masquerade, ohh, it's a mess
Can't you see what I feel ?
Come on, come on

Titanic 650604
Could it be magic, give me more
Titanic, Titanic, hear the beat of your fire
Titanic 650604
Light a candle, close the door

Titanic, see your painted smile, feel desire

Titanic 650604

Could it be magic, give me more

Titanic, Titanic, hear the beat of your fire

Ohh, Titanic 650604

Could it be magic, give me more

Titanic, Titanic, hear the beat of your fire

Titanic 650604

Light a candle, close the door

Titanic, see your painted smile, feel desire
