Babe, I'm singing just for you, a serenade in blue
See my emotion
Oh you, you kiss me no return
I see the candles burn, feel my devotion

Oh, I see my heart is tumblin' down
Baby, you make this whole world goin' around
Baby, I know babe, what should never be
Kiss me, hold me baby, till eternity

Oh, lover, lover, lover
Two hearts beat as one, it's like burning fire
Lover, lover, lover
Lady of the dark, can't you feel desire?

Come with me to a serenade in blue
Oh, don't set me free
I will kiss you
I will give you heaven too

Babe, I'm not a souvenir
I'm drowning in my tears, see my emotion
Oh, that's no way to say goodbye
Silence start to cry, feel my devotion

Oh, why can't I find the paradise?
Baby, I know that good love never dies
Baby, now, oh, this love will turn out fine
Kiss me, hold me baby, now it's our time

Oh, lover, lover, lover
Two hearts beat as one, it's like burning fire
Lover, lover, lover
Lady of the dark, can't you feel desire?

Come with me to a serenade in blue
Oh, don't set me free
I will kiss you
I will give you heaven too

Come with me to a serenade in blue
Oh, don't set me free

I will kiss you
I will give you heaven too

Oh, lover, lover, lover
Two hearts beat as one, it's like burning fire
Do you wanna be my lady of the dark? Can't you feel
desire?

Come with me to a serenade in blue
Oh, don't set me free
I will kiss you
I will give you heaven too
