Oh, I told her once, I told her twice
She don't know what I mean
Oh, I hate her lipstick eyes
Girl with a mandolin

It's too late to stop her now
The girl without a face
'Cause she played this melody
One hand, one heart, one race

The mystery of this melody
Is you'll never forget the tune

I hear a wonderful unfinished rhapsody
With tears, oh, in my eyes
I hear a wonderful unfinished rhapsody
A blessing in disguise
Sail on a rainbow, sail to my dreams

Oh, I told her once, I told her twice
Called her bittersweet
But she's running now to paradise
Water's runnin' deep

The sky was cryin' like a child
The tears, oh, of a clown
Oh, Roxanne is goin' wild
Oh, she brings me down

The mystery of the melody
Is you'll never forget the tune

I hear a wonderful unfinished rhapsody
With tears, oh, in my eyes
I hear a wonderful unfinished rhapsody
A blessing in disguise
Sail on a rainbow, sail to my dreams

Sail on a rainbow, sail to my dreams

I hear a wonderful unfinished rhapsody
With tears, oh, in my eyes

I hear a wonderful unfinished rhapsody
A blessing in disguise
Sail on a rainbow, sail to my dreams
Sail on a rainbow, sail to my dreams
