Oh, you said that you're faithful  
Big dreams they're useful now I cry and I cry  
Till the end of the lonely night  
Don't say it's okay this goodbye, this goodbye

Oh, it's hard but it's fair baby, I don't care  
A part of me is dying  
Oh, I'm here and there call me everywhere  
Cross my mind I'm dying

Oh, I love you till the end of time  
Oh no, I love you till I die

Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)  
Don't break the silence, don't  
(When Bogart talks to you)

Love me baby, oh kiss me baby  
Don't miss me with devotion  
Love me baby, oh kiss me baby  
Don't miss me with devotion

Oh, you said that you're faithful  
Big dreams they're useful now I cry and I cry  
Till the end of the lonely night  
Don't say it's okay this goodbye, this goodbye

Oh, my heart needs a home  
Baby, I know love I know is passion  
We're friends not stone  
Baby, without a home a love is an obsession

Oh, I love you till the end of time  
Oh no, I love you till I die

Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)

Don't break the silence, don't  
(When Bogart talks to you)

Love me baby, oh kiss me baby  
Don't miss me with devotion  
Love me baby, oh kiss me baby  
Don't miss me with devotion

Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)

Don't break the silence, don't  
(When Bogart talks to you)  
Don't break the silence of love  
(When Bogart talks to you)
