She was so young when she took the street  
Born too late in the mid-day heat  
Her parents said, "She went to America"

She wasted days and she wasted nights  
Everybody's girl, nobody's child  
Her mother said, "She went to America"

Another day and another time  
Heaven is so hard to find  
Sarah said, "Hello America"

I don't care where I sleep tonight  
I don't care if I'm right  
I like to dance, catch the wind

When Sarah smiles, her eyes shining blue  
I know, she's smiling straight from her heart  
When Sarah smiles, it means heaven too  
I know her heart is breakin' apart  
When Sarah smiles

She was so young when she left her home  
Back to things like a Rolling Stone  
Rocky said, "She went to America"

She cried some tears, she said, goodbye  
Wants to go where the eagle fly  
Her mother said, "She went to America"

She was alone in a lonely world  
On L.A. Drive, she met a girl  
Sarah said, "Hello America"

I like to see an ocean in the sky  
Don't stop me when I try  
I like to dance, catch the wind

When Sarah smiles, her eyes shining blue  
I know, she's smiling straight from her heart  
When Sarah smiles, it means heaven too  
I know her heart is breakin' apart

When Sarah smiles

When Sarah smiles, her eyes shining blue  
I know, she's smiling straight from her heart  
When Sarah smiles, it means heaven too  
I know her heart is breakin' apart

When Sarah smiles, her eyes shining blue  
I know, she's smiling straight from her heart  
When Sarah smiles, it means heaven too  
I know her heart is breakin' apart
