I'm not a Casanova
Ohh, yeah, the time is over
I will never telling lies to you
Ohh, don't you feel the fire

Ohh, you will take me higher
Baby, like the biggest love will do
You're so cute, every time
I love you more and more each day

It's such a wonderful world
Come stay forever
Wonderful world when we're together
Wonderful world that you are here with me

It's such a wonderful world
You love me baby
Tell the naked truth
It's a wonderful world, feel just brand new

You're like a flash and thunder
Ohh, baby, here is my number
Ohh, your love is especially and true
You're like a new sensation

Ohh, such a good occasion
Ohh, I'll take a lesson just in blue
You're so cute, every time
I love you more and more each day

It's such a wonderful world
Come stay forever
Wonderful world when we're together
Wonderful world that you are here with me

It's such a wonderful world
You love me baby
Tell the naked truth
It's a wonderful world, feel just brand new

It's such a wonderful world
Come stay forever

Wonderful world when we're together
Wonderful world that you are here with me

It's such a wonderful world
You love me baby
Tell the naked truth
It's a wonderful world, feel just brand new
