It's a tough, tough world we're living in
Between a man and a woman
Come, close your eyes

There is love, when you're alone
There's no friend, no stepping stone
And your heart is only crying, baby
The wind will fly you home

Blue eyes crying in the rain
Love is like a violin
Oh, I never knew heaven could speak
But I'll promise just my heart

You are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujah

You are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujah

You are only seventeen
There's no friend, no help, it seems
And the guys are only laughing, baby
I promise from my heart

You can run but you can't hide
There's a heart behind your pride
Oh, you're running straight to paradise
When God gives love to you

You are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts
Oh hallelujah, oh hallelujah

You are an angel, hallelujah
You are an angel, hallelujah
When a woman loves a man, it's raining hearts

Oh hallelujah, oh hallelujah

You are an angel
