(Ewan McGregor:)
Love is many a splendid thing
Love lifts us up where we belong
All you need is love
(Nicole Kidman:)
Please don't start that again
(Ewan McGregor:)
All you need is love
(Nicole Kidman:)
A girl has got to eat
(Ewan McGregor:)
All you need is love
(Nicole Kidman:)
She'll end up on the street
(Ewan McGregor:)
All you need is love
(Nicole Kidman:)
Love is just a game
(Ewan McGregor:)
I was made for
Loving for you baby
You were made
For loving me
(Nicole Kidman:)
The only way
Of loving me baby
Is to pay a lovely fee
(Ewan McGregor:)
Just one night
Gimme just one night
(Nicole Kidman:)
There's no way
'Cause you can't pay
(Ewan McGregor:)
In the name of love
One night in the name of love
(Nicole Kidman:)
You crazy fool
I won't give in to you
(Ewan McGregor:)
Don't leave me this way
I can't survive without

Your sweet love, oh baby
Don't leave me this way
(Nicole Kidman:)
You'd think that people
Would've had enough
Of silly love songs
(Ewan McGregor:)
I look around me and I see
It isn't so (Ha ha) no
(Nicole Kidman:)
Some people
Wanna fill the world
With silly love songs
(Ewan McGregor:)
Well what's wrong with that
I'd like to know 'Cause here I go, yeah
Love lifts us up
Where we belong
Where eagles fly
Over mountains high
(Nicole Kidman:)
Love makes us act
Like we are fools
Throw our lives away
For one happy day
(Ewan McGregor:)
We could be heroes
Just for one day
(Nicole Kidman:)
You, you will be mean
(Ewan McGregor:)
No I won't
(Nicole Kidman:)
And I'll drink all the time
(Ewan McGregor:)
We should be lovers
(Nicole Kidman:)
We can't do that
(Ewan McGregor:)
We should be lovers
And that's a fact
(Nicole Kidman:)
No nothing
Will keep us together
(Ewan McGregor:)
We could still try
Just for one day
(Ewan McGregor and Nicole Kidman:)
We could be heroes
Forever and ever
We could be heroes

Forever and ever
We could be heroes
(Ewan McGregor:)
Just because
I will always love you
(Nicole Kidman:)
And I
(Ewan McGregor and Nicole Kidman:)
Can't help loving
(Ewan McGregor:)
You
(Nicole Kidman:)
How wonderful life is
(Ewan McGregor and Nicole Kidman:)Now you're in the
world
