Battle honour and victory shall be ours  
To commemorate our dead  
To banish their "evil" from this world  
And recreate the pagan paradise that was  
Trampled under-foot  
The witches shall again become the wise,  
In this our new land of the young  
We, who control the storms. Our victory is  
Their demise  
The "harmony" has broken and as  
Christendom falls  
They will see the horror of that which they did  
Do unto us  
We shall prevail
