The shadow seasons have erupted, pagan souls  
In slumber  
I have foreseen their empire's end  
Our souls will re-awaken, to re-ignite the  
Ebbing flames  
A new dawn is approaching, we shall awaken  
The winds of mist again swirl as I hear a clash  
Of steel  
"Dark" battles "light" in it's never-ending war  
Ancients are summoned, power evermore  
Pagan rites are read and all is said and done  
"Dark" and "Light" are ended, a new age  
Has begun
