I Crawled up from the Sewer in a Quest to Eat Your
Brain

Manhole for a Cranium I Bathe in Toilet Rain

Burning Red Desire Eating Out my Insides

My Jellified Skin Stinking up the Night

Hiding from the World Until It's Time to Feed

Emerging From the Darkness Human Flesh I Need

Buglamp Eyes Aglaze Veins Pulsate with Muck

Carnivoric Frenzy Bone Marrow I Suck

Ground Up Powdered Rats Fly up My Nose

Tail in the Rail Savor Pulverized Toes

Eyes water Head Pounds Ready Up for Grub

Thinking Stinking Sewage Drinking Drown In Filthy Crud
