Blackened Splatter Bits of Brain
Disgusting Matter Felt No Pain
Bloody Chunks Skull and Hair
Tragic Loss but I Don't Care

Suicide Fuck, Suicide Fuck
You Took Your Life, Who Cares you Sucked
Suicide Fuck, Suicide Fuck
Fuck You

Suicide Fuck, Suicide Fuck
You Took Your Life, Who Cares you Fuckin' Sucked
Suicide Fuck, Suicide Fuck
Fuck Off

Excruciating Sight to See
You Left Behind Pants Full of Pee
I'm So Glad That You Are Gone
Saved Me the Trouble but Not the FUN

Suicide Fuck, Suicide Fuck
You Took Your Life, Who Cares you Sucked
Suicide Fuck, Suicide Fuck
Fuck You

Suicide Fuck, Suicide Fuck
You Took Your Life, Who Cares you Fuckin' Sucked
Suicide Fuck, Suicide Fuck
Fuck Off

Twisted Thoughts Am I This Sick?
Unzip my Pants and Stick in My Dick
Watch you Twitch as I Play
Your Darkest Hour Is my Brightest Day
